# Schedule NLD Instructions

## General Information

### When must I use this schedule?

You must use this schedule to carry forward or back an Illinois net loss arising in tax years ending on or after December 31, 1986. An Illinois net loss deduction (NLD) can be used to reduce the base income allocable to Illinois only if the loss year return has been filed and the loss was not used to offset income from any other tax year. If you are a member of a unitary group, you must use Schedule UB/NLD.

**Note** If corrections have been made to the loss amount (e.g., federal audit, or amended return), you must report the corrected amount when you file this schedule.

### What is the purpose of this schedule?

The purpose of Schedule NLD is to calculate your total amount of Illinois net loss available, the amount deductible for this year, and the remaining NLD available for use in other years.

### What are the limitations of the Illinois NLD?

For Illinois net losses in tax years ending on or after December 31, 2003, the carryback provision has been repealed. In addition, the carryforward period for net losses has been reduced to 12 years.

For tax years ending on or after December 31, 1999, and before December 31, 2003, all Illinois net losses must be carried back 2 years, (unless an election to only carry forward is made) then forward 20 years. The special rules under IRC, Section 172, and future amendments to that section, no longer apply to Illinois net losses. Also, no limitations under IRC, Section 382, or the separate return limitation year provisions of the federal consolidated return regulations apply to an NLD carryover.

Illinois net losses in tax years ending before December 31, 1999, are allowed as a carryback or carryforward deduction only in the manner allowed under IRC, Section 172, including, for example, the 10-year carryback allowed to banks for bad debt losses.

The following are the carryback and carryforward years generally allowed for Illinois net losses in tax years ending before December 31, 1999. Illinois net losses in tax years beginning

- after August 5, 1997, and ending before December 31, 1999, must be carried back 2 years, then forward 20 years.
- on or before August 5, 1997, must be carried back 3 years, then forward 15 years.

**Note** For tax years ending on or after December 31, 1996, and before tax years ending on or after December 31, 2003, you may make the election to forgo any of the previously mentioned Illinois NLD carryback periods by checking the appropriate box on your loss year return. This election must be made by the extended due date of your return and once made, this election is irrevocable.

### What must I attach?

You **must** attach copies of the original loss year returns, front and back, amended returns, or audit reports reflecting the loss amounts that you are claiming on this schedule. Failure to do so will result in processing delays.

If the loss originated from a company other than the one filing this return, complete Step 2.

**Line 2a through 2c** — Write the month and year to which the loss has been previously carried and the amount of Illinois net loss previously used to offset base income allocable to Illinois. This amount is shown on the prior year

- Form IL-1120-ST, Part II, Line 1b
- Form IL-1065, Part II, Line 1b

**Note** If the loss has been carried to more than three years and additional space is needed, complete and attach an additional sheet in the same format as Line 2a.

**Line 4** — Write the amount of base income allocable to Illinois for the carry year. See Line 1 instructions for the appropriate line reference for your return type. If you are submitting this schedule as support for an amended return, write the amount shown on Form IL-1120-X, Part IV, Line 1, Column C, less Part IV, Line 2, Column A; Form IL-1120X-PY, Part I, Line 8, Column C, less Part I, Line 9, Column A; or, the appropriate line from your revised Illinois return that was attached to your Form IL-843. If this is a negative amount, you **should not** be using Schedule NLD.

**Lines 5 and 6** — Follow the instructions on the form.

**Line 7** — Subtract Line 5 from Line 3. **Do not** write this amount on this year's return. This is your remaining NLD to be carried to subsequent years.

**Note** If there is an NLD remaining after this year (Line 7 is greater than zero), the amount on Line 5 must be included on any subsequent year's Schedule NLD, Line 2.

**Columns B and C** — Complete all lines of the columns as needed for additional Illinois net loss years.

**Lines 1 through 3** — Follow the instructions for Column A.

**Line 4** — Write the amount from Line 6 of the preceding column.

See Line 2 instructions for the appropriate line reference for your return or amended return.

**Lines 6 and 7** — Follow the instructions for Column A.
