General Information

Who must file Form IL-1023-C-X?

You should file Form IL-1023-C-X if you are amending a previously filed, processable Form IL-1023-C, Composite Income and Replacement Tax Return, for a tax year ending **on or after December 31, 2007**. If the associated Form IL-1065, Partnership Replacement Tax Return, or Form IL-1120-ST, Small Business Corporation Replacement Tax Return, original figures are amended, you must file Form IL-1065-X, Amended Partnership Replacement Tax Return, or Form IL-1120-ST-X, Amended Small Business Corporation Replacement Tax Return, separately.

Note Use Form IL-843, Amended Return or Notice of Change in Income, and the corresponding year's Form IL-1023-C, to amend tax years ending **prior to December 31, 2007**.

What if I need to change my return before the extended due date expires?

If you filed your original Form IL-1023-C and a state or federal correction or change needs to be made before the extended due date expires (see the instructions of your original return), you should file Form IL-1023-C-X. Due to the automatic extension, any return filed after the original return and on or before the extended due date will be treated as the original return.

How long do I have to amend my return?

The amount of time you have to amend your return depends on whether your Form IL-1023-C-X is being filed to report a state or federal change.

State change - If your change decreases the tax due to Illinois and you are entitled to a refund, you must file Form IL-1023-C-X within

- three years after the due date of the return (including extensions),
- three years after the date your original return was filed, or
- one year after the date your Illinois tax was paid, whichever is latest.

If your change increases the tax due to Illinois, you should file Form IL-1023-C-X and pay the tax, penalty, and interest promptly.

Federal change - You should not file this form until you receive a federal finalization notification from the IRS stating that they have accepted your change, either by paying a refund, or by final assessment, agreement, or judgment.

If your federal change decreases the tax due to Illinois and you are entitled to a refund, you must file Form IL-1023-C-X within two years plus 120 days of federal finalization.

If your federal change increases the tax due to Illinois, you must file Form IL-1023-C-X and pay any additional tax within 120 days of IRS partial agreement or finalization. In order to avoid late payment penalties, you must attach proof of the federal finalization date, showing the change was reported to Illinois within 120 days of IRS acceptance, or you may be assessed a late-payment penalty.

Note If you fail to notify us of your change by filing Form IL-1023-C-X, we may issue a notice of deficiency at any time. Once you file your change, we may issue a notice of deficiency within two years.

Who should sign the return?

If you are filing Form IL-1023-C-X to report distributed

- partnership income, a general partner must sign the return.
- S corporation income, a corporate officer must sign the return.

If you are operating as a business organized under the Lloyds plan of operation, an officer of that plan must sign Form IL-1023-C-X.

Preparer information — Any person paid to prepare the return must provide a signature, date the return, and write the preparer's taxpayer identification number. If the preparer is an employee or partner of a firm or corporation, the preparer must also provide the firm's name, address, and instead of the preparer's taxpayer identification number, the preparer must provide the firm's FEIN. Self-employed preparers must provide their own name, address, and taxpayer identification number in the appropriate spaces.

Can a reasonable facsimile be used?

In general, you must use forms prescribed by the Illinois Department of Revenue. Separate statements not on forms provided or approved by the department will not be accepted and you will be asked for appropriate documentation. Failure to comply with this requirement may result in the delay of processing your return or generating any refund. Additionally, failure to submit appropriate documentation when requested may result in a referral to our Audit Bureau for compliance action.

Composite returns must be filed on Form IL-1023-C-X. Do not send a computer printout with line numbers and dollar amounts attached to a blank copy of the return. Computer generated printouts are not acceptable, even if they are in the same format as the department forms. Computer generated forms from a department-approved software developer are acceptable.

What are the penalties and interest?

Penalties — You will owe

- a **late-filing penalty** if you do not file a processable return by the extended due date;
- a **late-payment penalty** if you do not pay the tax you owe by the original due date of the return;
- a **bad check penalty** if your remittance is not honored by your financial institution;
- a **cost of collection fee** if you do not pay the amount you owe within 30 days of the date printed on your bill.

Interest — The interest rate is the “short-term federal rate” for the first year that the overpayment or underpayment accrues interest. This rate is set by the IRS under IRC Section 6621. After one year, interest will accrue on any remaining balance at the underpayment rate, which is also set by the IRS under IRC Section 6621, and is three percent higher than the short-term federal rate.

Note → For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes. To receive a copy of this publication, see “What if I need additional assistance or forms?” for our phone numbers and addresses.

Specific Instructions

For instructions regarding completion of Steps 1, 3 and 4, refer to the Form IL-1023-C Instructions and schedules for the year being amended.

Specific instructions for most of the lines are provided on this page. Lines that are not discussed in the instructions are self-explanatory.

Write the tax year you are amending in the space provided at the top of Form IL-1023-C-X.

Step 1: Provide the following information

A — All taxpayers: Type or print your legal business name. If you have a name change from your original return, check the corresponding box.

B — Complete Line B and check the corresponding box **only** if you have an address change from your original return. **Do not complete Line B** if the information is the same as last year.

D — Check the appropriate box to indicate whether you filed Form IL-1065, or Form IL-1120-ST.

E — Check the appropriate box for the reason you are filing this return. If you are amending due to a federal change, you **must** check the appropriate box for partial agreed or finalized and include the date of IRS finalization, **not** the date the federal change was filed. Attach a dated copy of the federal examining officer’s report. If you do not provide this date, you may be assessed penalties and interest.

F — If any partners or shareholders included in this composite return are trust members, you must check this box.

G — If the partners or shareholders included in this composite return are individuals and/or estate members only, you must check this box.

Step 2: Explain the changes on this return

The purpose of Step 2 is to allow you to explain the specific changes you are making to your Illinois tax return. You should include a copy of the Form IL-1065-X or Form IL-1120-ST-X with all relevant information, including, but not limited to, changes made to

- specific addition and subtraction modifications,
- credit or credit recapture amounts,
- the federal or other state return that caused changes to the Illinois return.

You must provide an explanation for each line item you change.

General Information for Steps 3 and 4

Column B — Write the correct amount for each line in Column B.

For each line item you change, you must provide an explanation for that change in Step 2.

Steps 3: Figure your income and net income tax

Lines 1a through 2c — List each item and the amount on the line provided. Refer to your Form IL-1023-C, Step 2, Specific Instructions, for the year being amended.

Line 5 — Write the total amount of recapture of investment tax credits passed through to members included on this return, as shown on their Schedules K-1-P and K-1-T. Attach Schedule 4255, Recapture of Investment Tax Credits.

Line 7 — Write the total amount of income tax credits passed through to the members included on this return, as shown on their Schedules K-1-P. Attach Schedule 1299-A.

Line 19 — Write the total amount of any subsequent tax payments you made with a previously filed Form IL-1023-C-X, or for any other reason (*e.g.*, responding to a bill). Do not include any penalty and interest you previously paid.

Line 21 — Write the total amount of any overpayment, credit, or refund (whether received or not) reported on your previously filed Form IL-1023-C or Form IL-1023-C-X. Do not include any interest that you received.

Line 23 — Follow the instructions on the form. We will calculate any interest that may be due you and include it in your refund check. Any refund may be reduced to satisfy any outstanding liability.

Note → Overpayments from Form IL-1023-C-X cannot be credited to next year's return, unless this return is filed before the extended due date of the original return.

Also, we are not required to credit your overpayment against any other liability at your request. If you have not made previous arrangements with us to credit your overpayment against another liability, and we refund your overpayment or credit it against a different liability, you may incur additional penalties and interest on your liability.

Line 24 — Follow the instructions on the form. This is your amount of tax due that must be paid in full if \$1 or more. Make your check or money order payable to "**Illinois Department of Revenue**" and **attach to the front of this return**. We will compute any penalty or interest due and notify you.

Note → We will apply all payments against tax first, penalty second, and interest third.

Lines 25 through 27 — We will bill you for penalties and interest. If you prefer, you may calculate the penalties you owe on Form IL-2220, Computation of Penalties for Businesses, and write these amounts on the lines provided. For more information see "What are the penalties and interest?" and Publication 103, Penalties and Interest for Illinois Taxes. **If you calculate penalty and interest, be sure that your payment is equal to the amount on Line 27.**

Note → Lines 25 and 26 are applicable only if you wish to self-assess late-filing and late-payment penalties on Form IL-2220. If you do not wish to complete Form IL-2220, we will compute any penalty or interest due and notify you.

If you have a balance due on Lines 24 or 27, be sure to **write the amount you are paying on the top of Page 1 of the Form IL-1023-C-X**.
