Specific Instructions

Step 1 — Identify your partnership, S corporation, or trust

Lines A through E — Follow the instructions on the form.

Step 2 — Figure your payment amount

Line 1 — Write your total amount of business income apportioned to Illinois. If your business income is a loss, write zero.

Partnerships and S corporations: Add the amounts from your nonresident partners' or shareholders' Schedule K-1-P, Column B, Lines 20 through 31, plus any business items in Column B, Lines 32 through 47, and write the result on Line 1.

Trusts: Add the amounts from your nonresident beneficiaries' Schedules K-1-T, Column B, Lines 19 through 29 plus any business items in Column B, Lines 30 through 46, and write the result on Line 1.

Lines 2a through 5a — On each Line 2a through 5a, write the amount of Illinois business income from Line 1 that is distributable to partners, shareholders, or beneficiaries for whom pass-through entity payments are being made, and multiply that amount by the tax rate applicable to the type of partner, shareholder, or beneficiary included on that line.

Write the result on Lines 2 through 5.

Note — Do not include income distributable to partners, shareholders, or beneficiaries for whom pass-through entity payments are not required.

Line 6 — Add Lines 2 through 5 and write the result here. This is the total pass-through entity payment you are required to remit to the department.

Line 7 — If you are a partner, shareholder, or beneficiary who has been informed that pass-through entity payments have been made on your behalf, you may make the election to use the payment amounts as credit toward the pass-through entity payments you are required to make on Form IL-1000.

Write the amount of credit that you wish to use. Your credit amount cannot be greater than the pass-through payment figured on Line 6. **Attach** any Schedule(s) K-1-P or K-1-T showing the amount of pass-through entity payments made on your behalf.

Note — You may not claim a credit on this line for any amount you claimed as a credit on your original or amended annual Illinois Income Tax return.

If you have more credit available than is needed to meet your pass-through payment obligation, you may take a credit for the remainder of the pass-through entity payment made on your behalf on your annual Illinois Income Tax return, and claim any overpayment.

Line 8 — Write the total amount of prepayments you made on Form IL-1000-P, Prepayment Voucher for Pass-through Entity Payment, but do not exceed the amount of tax due on Line 6. If you have more prepayments made than what is needed to meet your pass-through payment obligation, you must pass the additional amounts to your partners, shareholders, or beneficiaries on Schedules K-1-P or K-1-T.

Lines 9 and 10 — Follow the instructions on the form. This is your amount of tax due that must be paid in full if \$1 or more. Write the amount from Line 10 in the box above Step 1. Complete a payment voucher, Form IL-1000-V, make your check or money order payable to "Illinois Department of Revenue" and attach them to the front of this form. We will compute any penalty or interest due and notify you.
