

What's new for 2018?

- For tax years ending on or after December 31, 2018, the Domestic Production Activities Deduction (DPAD) under Section 199 of the Internal Revenue Code (IRC) has been removed from Line 9 of Schedule M.
- Schedule 1299-I, Income Tax Credits Information and Worksheets, has been created to provide detailed information about the income tax credits, how to calculate them, and where to report them.
- Schedule 1299-A, Tax Subtractions and Credits (for partnerships and S corporations), has been redesigned to provide better accounting of credits. See Schedule 1299-A; Schedule 1299-A, Instructions; and Schedule 1299-I for more information.
- Public Act 100-0587, commonly referred to as the FY2019 Budget Implementation Act, has retroactively extended the Hospital credit until tax years ending on or before December 31, 2022. See Schedule 1299-I for more information.
- Forms IL-516-I and IL-516-B, Pass-through Prepayment Voucher, and IL-505-B, Extension Payment, have been eliminated. Beginning with tax years ending on or after December 31, 2018, taxpayers making an extension payment, a voluntary prepayment, or a pass-through withholding prepayment of their tax liabilities will use Form IL-1065-V, Payment Voucher for Partnership Replacement Tax, for all payments. See Specific Instructions for more information.

General Information

Who must file Form IL-1065-X?

You should file Form IL-1065-X if you are amending a previously filed, processable Form IL-1065, Partnership Replacement Tax Return, for a tax year ending **on or after** December 31, 2006. Your change can occur from a state or federal change that affects items used to compute your Illinois net income, net loss, or credits, such as

- an amendment of your federal income tax return,
- an adjustment made by the Internal Revenue Service (IRS), or
- any other recomputation or redetermination.

A separate amended return must be filed for each tax year you need to amend.

What if I need to change my return before the extended due date expires?

If you filed your original Form IL-1065 and a state or federal correction or change needs to be made before the extended due date expires (see the instructions of your original return), you should file Form IL-1065-X. Due to the automatic extension, any return filed after the original return and on or before the extended due date will be treated as the original return.

If you are filing Form IL-1065-X to change the election on your original return to treat all income other than compensation as business income, check the box in Step 1, Line F, and provide a written explanation indicating the change to your election on Form IL-1065-X, Step 2.

How long do I have to amend my return?

The amount of time you have to amend your return depends on whether your Form IL-1065-X is being filed to report a state or federal change.

Note Beginning with returns filed on or after June 25, 2021, if an amended return claiming a credit or refund is filed within six months of the expiration of the statute of limitations, then the statute of limitations will automatically be extended an additional six months for issuing an assessment of additional tax due.

State change - If your change creates or increases the Illinois net loss for the year, you must file Form IL-1065-X showing the increase in order to carry the increased loss amount to another year.

If your change decreases the tax due to Illinois and you are entitled to a refund or credit carryforward, you must file Form IL-1065-X within

- three years after the due date of the return (including extensions),
- three years after the date your original return was filed, or

- one year after the date your Illinois tax was paid, whichever is latest.

If your change increases the tax due to Illinois, you should file Form IL-1065-X and pay the tax, penalty, and interest promptly.

Federal change - You should not file this form until you receive a federal finalization notification from the IRS stating that they have accepted your change, a formal agreement, or judgment.

If your federal change decreases the tax due to Illinois and you are entitled to a refund or credit carryforward, you must file Form IL-1065-X within two years plus 120 days of federal finalization.

If your federal change increases the tax due to Illinois, you must file Form IL-1065-X and pay any additional tax within 120 days of IRS partial agreement or finalization. In order to avoid late payment penalties, you must attach proof of the federal finalization date, showing the change was reported to Illinois within 120 days of IRS acceptance, or you may be assessed a late-payment penalty.

Note If you fail to notify us of your change by filing Form IL-1065-X, we may issue a notice of deficiency at any time. Once you file your change, we may issue a notice of deficiency within two years.

What if I am amending my return due to multiple federal adjustments?

If you are amending your original Form IL-1065 due to multiple federal adjustments that were finalized on different dates, then you must complete separate amended Illinois returns for each federal finalization date. For example, if you receive a 2018 return adjustment from the IRS on July 10, 2019, then in August 2019, you amend your federal Form 1065 and receive federal finalization on October 22, 2019, then you must submit one Form IL-1065-X for the July 10, 2019, adjustments and a separate Form IL-1065-X for the October 22, 2019, adjustments. Failure to file separate amended returns for each federal finalization date may result in the denial of the entire claim, a delay in processing, or the assessment of penalty and interest.

What if my amended return involves unitary filing?

If you are amending your original

- non-unitary Form IL-1065 to be included in an existing unitary group and are required to file Schedule UB, you must file an amended Form IL-1065-X, following the line by line instructions provided for Form IL-1065 and Illinois Schedule UB, Combined Apportionment for Unitary Business Group, for the tax year you are amending. In addition,

- any combined return filed by the combined group on Form IL-1120 must also be amended to include your information, and
- each member that filed a separate unitary return must file an amended return to include your information.
- unitary Form IL-1065 to report a state or federal change to your unitary income and are required to file Schedule UB, any combined return filed by the group or separate unitary return may also need to be amended.

What if my amended return involves an Illinois net loss deduction (NLD)?

If you have an Illinois NLD carryover from any loss year ending on or after December 31, 1986, it is subtracted from and limited to base income allocable to Illinois.

To determine your “Illinois net loss” start with your total unmodified base income and apply all addition and subtraction modifications, and all allocation and apportionment provisions.

If you are carrying an Illinois NLD, you must complete and attach Illinois Schedule NLD, Illinois Net Loss Deduction, and claim the deduction on Step 8, Line 48. See Specific Instructions for Step 8, Line 48.

Do not file Form IL-1065-X to report an Illinois NLD carryforward until **after** you have filed the loss year Form IL-1065, Form IL-1065-X, or Form IL-843 (for tax years ending prior to December 31, 2006) reporting the loss. When you file Form IL-1065-X, you must attach a completed Illinois Schedule NLD. **Failure to attach the correct and completed schedule could result in partial or total denial of your claim.**

If you need more information, visit our website at tax.illinois.gov and see the Schedule NLD instructions, or the Illinois Income Tax Regulations, Sections 100.2050 and 100.2300 through 100.2330.

Who should sign the return?

Your Form IL-1065-X must be signed by a partner or any other officer duly authorized to sign the return. In the case of a bankruptcy, a receiver, trustee, or assignee must sign any return required to be filed on behalf of the partnership.

Note → If you are operating as a business organized under the Lloyd’s plan of operation, an officer of that plan must sign Form IL-1065-X.

Any person paid to prepare the return (other than a regular, full-time employee of the taxpayer, such as a clerk, secretary, or bookkeeper) must provide a signature, date the return, enter the preparer tax identification number (PTIN) issued to them by the Internal Revenue Service, and provide their firm’s name, address, and phone number.

Can a reasonable facsimile be used?

In general, you must obtain and use forms prescribed by the Illinois Department of Revenue (IDOR). Separate statements not on forms provided or approved by IDOR will not be accepted and you will be asked for appropriate documentation. **Failure to comply with this requirement may result in failure to file penalties, a delay in the processing of your return, or a delay in the generation of any overpayment.** Additionally, failure to submit appropriate documentation when requested may result in a referral to our Audit Bureau for compliance action.

Partnerships must complete Form IL-1065-X. Do not send a computer printout with line numbers and dollar amounts attached to a blank copy of the return. Computer generated printouts are not acceptable, even if they are in the same format as IDOR forms. Computer generated forms from an IDOR-approved software developer are acceptable.

What are the penalties and interest?

Penalties — You will owe

- a **late-filing penalty** if you do not file a processable return by the extended due date;
- a **late-payment penalty** if you do not pay the tax you owe by the original due date of the return;
- a **bad check penalty** if your remittance is not honored by your financial institution;
- a **cost of collection fee** if you do not pay the amount you owe within 30 days of the date printed on your bill.

Interest — The interest rate is the federal underpayment rate, which is set by the IRS under IRC Section 6621.

Note → For more information about penalties and interest, see Publication 103, Penalties and Interest for Illinois Taxes, available at tax.illinois.gov.

What must I attach to my Form IL-1065-X?

This form must contain a complete explanation of the reasons for filing the claim or amendment. You **must** attach proof of the federal finalization date and any schedules, forms, breakdowns, statements, or other documentation required to support your claim. If Form IL-1065-X is submitted without the proper attachments, it may be partially or totally denied.

Examples of federal finalization include a copy of one or more of the following items:

Step 2: Explain the changes on this return

The purpose of Step 2 is to allow you to explain what specific changes you are making to your Illinois tax return. You should include all relevant information, including, but not limited to, changes made to

- specific addition and subtraction modifications,
- unitary membership or unitary status,
- the business income election,
- credit or credit recapture amounts,
- the Illinois net operating loss deduction, and
- the federal or other state return that caused changes to the Illinois return.

You must provide an explanation for each line item you change.

If your changes generate an overpayment which you elect to receive as a credit carryforward and you elect to apply that credit to a tax year other than the year described in the Line 69 instructions, you must follow the instructions found under "May I apply my credit to a

different tax year?" If you fail to include the required information in your explanation, your election will be considered invalid and we will not apply your credit as you requested.

General Information for Steps 3 through 9

Column A — Enter the amounts from your most recently filed or adjusted return for the year that you are amending. These may be figures from your original Form IL-1065 or a previously amended or audited return.

Column B — Enter the correct amount for each line in Column B. For each line item you change, you must provide an explanation for that change in Step 2.

Note If you are filing this form only to report an increase in your Illinois net loss, you have no pass-through withholding payments to report on behalf of your members on your original or amended return, and the change will not result in an overpayment, see the instructions for Step 8, Line 47.

Steps 3 and 4: Figure your ordinary income or loss and Figure your unmodified base income or loss

Note If you are a member of a unitary group see "What if I am a member of a unitary group?" in the Form IL-1065 instructions.

Lines 1 through 13 — Refer to your Form IL-1065, Steps 2 and 3, Specific Instructions, for the year being amended.

Note Do not apply your Illinois net loss deduction amount from Illinois Schedule NLD in this step. Net Loss Deductions are reported on Step 8, Line 48.

Steps 5 and 6: Figure your income or loss and Figure your base income or loss

Note If you are a member of a unitary group see "What if I am a member of a unitary group?" in the Form IL-1065 instructions.

Lines 15 through 22 and Lines 24 through 33 — List each item and the amount on the line provided. You must identify all subtractions and attach all of the required supporting documentation.

Note If you need to make a correction to Line 21 or Line 27, use the worksheet located in the Schedule B Instructions (Form IL-1065 Instructions) to figure the correct amounts. You must attach a corrected Illinois Schedule B if there is a change in the information reported on your most recently filed Illinois Schedule B.

Line 35 — This is your base income or loss.

Column A — Enter the amounts from your most recently filed or adjusted return. **Do not check a box on Lines A or B to indicate how your income was reported on your most recently filed or adjusted return.** The check boxes on Lines A and B are used when reporting your amended base income or loss in column B.

Column B — Follow the instructions on the form and check the box on Line A or B that applies to the amount in Column B. You must check one of these boxes and follow the instructions for that Line when completing Column B.

Check the box on Line A if

- all of your base income or loss is derived inside Illinois; and
- you do not have any income or loss to report on Lines 36, 37, 44, or 45.

If you check the box on Line A, do not complete Step 7, Column B. All of your amended base income or loss is allocable to Illinois. Skip Step 7, Column B, enter the amount from Step 6, Column B, Line 35 on Step 8, Column B, Line 47, and complete the remainder of the return.

Check the box on Line B if any of the following apply

- your base income or loss is derived inside and outside Illinois;
- all of your base income or loss is derived outside Illinois; or
- you have income or loss to report on Lines 36, 37, 44, or 45.

If you check the box on Line B, you must complete all lines of Step 7, Column B. Submitting Form IL-1065-X with an incomplete Step 7, Column B, including Lines 40, 41, and 42 may result in a delay in processing your return, further correspondence, and you may be required to submit further information to support your filing. See the Specific Instructions for Step 7 for more information.

Note **Unitary filers who are required to file a Schedule UB** - You must complete **both** Step 4 of the Schedule UB **and** Step 7, Column B of the Form IL-1065-X.

Step 7: Figure your income allocable to Illinois

Complete Step 7 only if you originally completed this step, or if you need to make a change that affects your base income or loss allocable to Illinois. Refer to Form IL-1065, Step 6, Specific Instructions, for the year being amended.

You **must** check the box on Line B and complete Step 7 if any portion of Step 6, Column B, Line 35, base income or loss, is derived outside Illinois, or you have any income or loss to report on Column B, Lines 36, 37, 44, or 45.

If you do not complete **all** of Step 7, Column B, Lines 36 through 46, we may issue a notice and demand proposing 100 percent of income as being allocated to Illinois, or in the case of a loss return, a notice indicating none of your loss as being allocated to Illinois.

Lines 36 and 44 — If you elected to treat all of your income other than compensation as business income on your original tax return, you must follow that election by entering zero on Form IL-1065-X, Lines 36 and 44. If you are filing Form IL-1065-X before the extended due date and are making the election to treat all nonbusiness income as business income, Column B, Lines 36 and 44 should be reduced to zero.

Step 8: Figure your net income

Line 47 — Follow the instructions on the form. If the amount in Column A reflects income and the corrected amount in Column B reflects a loss, you may be able to carry this loss to other years as an Illinois NLD. See the instructions for Illinois Schedule NLD for more information.

Note If you are filing this form only to report an increase in your Illinois net loss, you have no pass-through withholding payments to report on behalf of your members on your original or amended return, and the change will not result in an overpayment, check the box in Step 1, Line C, complete Steps 3 through 6, Step 7, if applicable, and Step 8, Line 47. Complete Step 2 explaining what caused the increase in the Illinois net loss and sign the return in Step 11. Leave the rest of the form blank.

Line 48 — Enter your Illinois NLD from the Illinois Schedule NLD, Step 1, Line 5 total box. **Attach Illinois Schedule NLD to your Form IL-1065-X.** Use the schedule specific to your tax year.

Line 52 — The standard exemption is \$1,000 multiplied by a fraction in which the numerator is your base income allocable to Illinois and the denominator is your total base income. This figure cannot be greater than "\$1,000." The standard exemption is \$0.00 if your unmodified base income amount on Step 4, Line 13 is of \$250,000 or more.

If you have a change in your tax year end, and the result is a tax period of less than 12 months, the standard exemption is prorated based on the number of days in the short tax year. However, if this is your first or final return, you are allowed to use the full-year standard exemption even if it is a short tax year.

Line 53 — If Line 49 is a loss, enter the amount from Line 49 on 53. Do not increase your loss by the exemption allowance on Line 52.

Step 9: Figure your net replacement tax and pass-through withholding payments you owe

Follow the instructions on the form. Be sure to attach any required schedules or forms.

Line 55 — See Illinois Schedule 4255, Recapture of Investment Tax Credits, for more information. You must attach Illinois Schedule 4255 if you have an amount on this line.

Line 57 — See Form IL-477, Replacement Tax Investment Credits, for more information. You must attach Form IL-477 and any other required support listed on Form IL-477 if you have an amount on this line.

Line 59 — Complete **all sections** of Illinois Schedule B and enter the amount from Illinois Schedule B, Section A, Line 9 on this line. This is the amount of pass-through withholding payments you owe on behalf of your members. **You must attach a corrected Illinois Schedule B if there is a change in the information reported on your most recently filed Illinois Schedule B.** See “Definitions to help you complete your Form IL-1065” in the Form IL-1065 instructions for more information.

Note Do not include on Line 59 any pass-through withholding payments **reported to you** on Schedule(s) K-1-P or K-1-T. Pass-through withholding payment amounts reported to you are included on Step 10, Line 61c.

Note You **must** also issue revised Schedule(s) K-1-P to your partners if any amounts reported to them on the original Schedule(s) K-1-P you issued have changed. Mark the top of the revised Schedule(s) K-1-P you issue as “Revised.”

Step 10: Figure your refund or balance due

Note If you are filing this form only to report an increase in your Illinois net loss, you have no pass-through withholding payments to report on behalf of your members on your original or amended return, and an overpayment will not result, do not complete this step.

Line 61a — Enter the sum of payments made on or before the original due date of the return, including, but not limited to:

- any overpayment from your prior year tax returns that you requested to be applied to this year’s tax return. Take into account any correspondence we may have sent you that changed the amount of your credit carryforward from the previous year.
- voluntary estimated payments or tax prepayments made during the tax year.
- extension payments.

Line 61b — Enter the amount you wish to claim of Illinois pass-through withholding payments reported to you by partnerships, S corporations, or trusts, on Schedule(s) K-1-P or K-1-T. If you received more than one Schedule K-1-P or K-1-T, add the amounts you wish to claim from all the schedules and enter the total on Line 61b. **Attach copies of the Schedules K-1-P and K-1-T you received from the pass-through entities to your Form IL-1065-X.** See “Definitions to help you complete your Form IL-1065” in the Form IL-1065 instructions for more information.

Note Do not include on Line 61b any pass-through withholding payments **you owe** on behalf of your members. Pass-through withholding payments you owe on behalf of your members are included on Step 9, Line 59.

Line 61c — Enter the amount of any Illinois gambling withholding shown on Form W-2G. **Attach Forms W-2G.**

Line 64 — Enter the total amount of any tax payments you made with a previously filed Form IL-1065-X, or for any other reason (e.g., responding to a bill). Do not include any penalty and interest you previously paid.

Line 66 — Enter the total amount of any overpayment, credit, or refund (whether received or not) reported on your previously filed Form IL-1065 or Form IL-1065-X. Do not include any interest that you received.

Line 69 — Enter the amount of overpayment you elect to be credited forward.

Your credit carryforward will not be applied if you do not file a processable return.

If your overpayment accrues interest and you elect to receive your

- entire overpayment as a credit carryforward, any interest due will be applied with your credit as an additional credit carryforward. We will calculate the amount of interest due and notify you. When you claim your credit carryforward in a future year you must include this interest amount in the amount claimed.
- overpayment as both a credit carryforward and a refund, we will apply the credit as you request and include any interest due with your refund.

Note Your credit carryforward may be reduced by us due to corrections we make to your return, or to satisfy any unpaid tax, penalty, and interest due for this year or any other year. If we reduce your credit carryforward, it may result in a late-payment penalty in a subsequent year.

To which tax year will my credit apply?

If your amended 2018 return was filed

- on or before the original filing and payment due date of your original return**, your credit will be applied to the next full tax year, unless you elect to apply the credit to a different tax year.

Example 1: You file your 2018 calendar-year amended return on March 1, 2019, requesting to receive your overpayment as a credit. March 1, 2019, falls before the original filing and payment due date of the 2018 tax year (April 15, 2019, for calendar-year filers). Your credit will be applied against your 2019 tax year liability.

- after the original filing and payment due date of your original return**, your credit will be applied to the next full tax year in which **timely** payments can be made as of the date you are filing this return, unless you elect to apply the credit to a different tax year.

Example 2: You file your 2018 calendar-year amended return on August 4, 2019, requesting to receive your overpayment as a credit. August 4, 2019, is after the original filing and payment due date of the 2018 tax year (April 15, 2019, for calendar-year filers), but is before the original filing and payment due date of the 2019 tax year (April 15, 2020, for calendar-year filers). Your credit will be applied against your 2019 tax year liability.

Example 3: You file your 2018 calendar-year amended return on April 28, 2020, requesting to receive your overpayment as a credit. April 28, 2020, is after the original filing and payment due date of the 2019 tax year (April 15, 2020, for calendar-year filers), but is before the original filing and payment due date of the 2020 tax year (April 15, 2021, for calendar-year filers). Your credit will be applied against your 2020 tax year liability.

Note If you wish to apply the credit to a different tax year, see “May I apply my credit to a different tax year?”

You may complete the Credit Carryforward Worksheet on page 7 if you require assistance determining the year to which your credit will apply.

With what date will my credit apply against my tax liability?

If your amended 2018 return was filed

- on or before the extended due date of your original return** (October 15, 2019, for calendar-year filers), your credit is considered to be paid on the original due date of your original return (April 15, 2019, for calendar-year filers).

Example 1: You file your 2018 calendar-year amended return on or before the extended due date of your original return requesting \$500 be applied as a credit. All of your payments are made before the original due date of your original return. Your credit of \$500 will be considered to be paid on April 15, 2019.

However, if all or a portion of your overpayment results from payments made after the original due date of your original return, that portion of your credit is considered to be paid on the date you made the payment.

Example 2: You file your 2018 calendar-year amended return on or before the extended due date of your original return requesting \$500 be applied as a credit. Your overpayment includes payments of \$400 you made before the original due date of your original return, and a \$100 payment you made on June 1, 2019. Your credit of \$400 will be considered to be paid on April 15, 2019. The remaining \$100 credit will be considered to be paid on June 1, 2019.

- after the extended due date of your return,** your credit is considered to be paid on the date you filed the amended return on which you made the election.

Example 3: You file your 2018 calendar-year amended return on December 1, 2019, requesting \$500 be applied as a credit. Your credit of \$500 will be considered to be paid on December 1, 2019, because you filed your amended return after the extended due date of your 2018 calendar-year original return.

You may complete the Credit Carryforward Worksheet on page 7 if you require assistance determining with what date your credit will apply.

May I apply my credit to a different tax year?

Yes. If you wish to apply your credit to a tax year other than the one described above, you must indicate the tax year to which you wish to have the credit apply in the explanation you provide in Step 2 of this return.

If you do not follow these instructions, your election will be considered invalid and we will apply your credit as indicated under "To which tax year will my credit apply?"

If you submit a valid request, we will apply your credit as you requested and notify you. Once made, your election to change the tax year to which your credit will apply is irrevocable.

Note You may only apply your credit to tax years occurring after the year of the return creating the overpayment. If you request to apply more credit than our records show you have available, we will apply the maximum amount available and notify you of the difference.

Line 70 — Follow the instructions on the form. We will calculate any interest that may be due you and include it in your refund check. Any refund may be reduced to satisfy any outstanding liability.

We do not currently offer direct deposit as a method for receiving a refund from an amended return. Overpayments will be refunded by check.

Line 71 — Follow the instructions on the form. This is your amount of tax due that must be paid in full if \$1 or more. We encourage you to let us figure your penalties and interest and send you a bill instead

of determining these amounts yourself. We will compute any penalty and interest due and notify you. If you do not calculate your penalty and interest, enter the amount you are paying on the top of Page 1, complete a payment voucher, Form IL-1065-X-V, make your check or money order payable to "Illinois Department of Revenue," and attach them to the first page of this form. We will compute any penalty or interest due and notify you.

Note We will apply all payments against tax first, penalty second, and interest third.

Lines 72 through 74 — We encourage you to let us figure your penalties and interest and send you a bill instead of determining these amounts yourself. We will compute any penalty and interest due and notify you. If you calculate the penalties and interest you owe on Form IL-2220, Computation of Penalties for Businesses, enter these amounts on the lines provided. For more information see "What are the penalties and interest?" in these instructions and Publication 103, Penalties and Interest for Illinois Taxes. **If you calculate penalty and interest, be sure that your payment is equal to the amount on Line 74.**

Note Lines 72 and 73 are applicable only if you wish to self-assess late-filing and late-payment penalties on Form IL-2220. We encourage you to leave Lines 72 and 73 blank. We will calculate all penalties and interest and send you a bill.

If you have a balance due on Lines 71 or 74, be sure to **enter the amount you are paying on the top of Page 1 of the Form IL-1065-X. Complete a payment voucher, Form IL-1065-X-V, make your check or money order payable to "Illinois Department of Revenue," and attach them to the first page of this form.**

Step 11: Signature, date, and paid preparer's information

You must sign and date your return. If you do not sign your return, it will not be considered filed and you may be subject to a **nonfiler penalty**.

If you pay someone to prepare your return, the income tax return preparer must also sign and date the return, enter the preparer tax identification number (PTIN) issued to them by the Internal Revenue Service, and provide their firm's name, address, and phone number.

If you want to allow the paid preparer listed in this step to discuss this return with IDOR, check the box. This authorization will allow your paid preparer to answer any questions that arise during the processing of your return, call us with questions about your return, and receive or respond to notices we send. The authorization will automatically end no later than one year after you file your amended return. You may revoke the authorization at any time by calling or writing us.
