Dear Ms. XXXX:

This letter is in response to your letter dated May 7, 2014, in which you request information. The Department issues two types of letter rulings. Private Letter Rulings (“PLRs”) are issued by the Department in response to specific taxpayer inquiries concerning the application of a tax statute or rule to a particular fact situation. A PLR is binding on the Department, but only as to the taxpayer who is the subject of the request for ruling and only to the extent the facts recited in the PLR are correct and complete. Persons seeking PLRs must comply with the procedures for PLRs found in the Department’s regulations at 2 Ill. Adm. Code 1200.110. The purpose of a General Information Letter (“GIL”) is to direct taxpayers to Department regulations or other sources of information regarding the topic about which they have inquired. A GIL is not a statement of Department policy and is not binding on the Department. See 2 Ill. Adm. Code 1200.120. You may access our website at www.tax.illinois.gov to review regulations, letter rulings and other types of information relevant to your inquiry.

The nature of your inquiry and the information you have provided require that we respond with a GIL. In your letter you have stated and made inquiry as follows:

We are a Leasing Company and attached is our Synthetic Lease documents we would like the State to review, make an opinion and determine the structure of whether it is a true lease or a financing arrangement.

Upon determining the structure of the transaction, please communicate whether sales tax is due upfront or on the rental stream.

If sales tax is due upfront, then please specify if upfront on the equipment cost or the sum of the rental stream. Also, please specify who is responsible for the reporting/filing of the asset/s for property tax purposes as well.

With that said, please see the attached documents and we await for your response in writing for your opinion of our Synthetic Lease documents. If you need to contact me please call me at xxx-xxx-xxxx.

We thank you for your cooperation.

DEPARTMENT’S RESPONSE:

For Illinois sales tax purposes, there are two types of leasing situations: conditional sales and true leases. A conditional sale is usually characterized by a nominal or one dollar purchase option at the close of the lease term. Stated otherwise, if lessors are guaranteed at the time of the lease that

the leased property will be sold, this transaction is considered to be a conditional sale at the outset of the transaction, thus making all receipts subject to Retailers' Occupation Tax. Persons who purchase items for resale under conditional sales contracts can avoid paying tax to suppliers by providing certificates of resale that contain all the information set forth in 86 Ill. Adm. Code 130.1405. All receipts received by a lessor/retailer under a conditional sales contract are subject to Retailers' Occupation Tax. See 86 Ill. Adm. Code 130.2010.

In contrast, a true lease generally has no buy out provision at the close of the lease. If a buyout provision does exist, it must be a fair market value buy out option in order to maintain the character of the true lease. Lessors of tangible personal property under true leases in Illinois are deemed end users of the property to be leased. See 86 Ill. Adm. Code 130.220. As end users of tangible personal property located in Illinois, lessors owe Use Tax on their cost price of such property. The State of Illinois imposes no tax on rental receipts. Consequently, lessees incur no tax liability.

The above guidelines are applicable to all true leases of tangible personal property in Illinois except for automobiles leased under terms of one year or less, which are subject to the Automobile Renting Occupation and Use Tax found at 35 ILCS 155/1 et seq.

I hope this information is helpful. If you require additional information, please visit our website at www.tax.illinois.gov or contact the Department's Taxpayer Information Division at (217) 782-3336.

Very truly yours,

Samuel J. Moore
